

Where state, county, and/or MCD boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

- 1 A " " following an MCD name denotes a false boundary. A " " following a place name indicates that a false MCD exists with the same name and FIPS code as the place; the false MCD label is not shown.
- 2 MCD boundaries are shown in the following states in which MCDs have functioning governments: Connecticut, Maine, Massachusetts, Michigan, Minnesota, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, Vermont, and Wisconsin.
- 3 Place label color correlates to the place fill color.

NAME: St. James Parish (093)
ENTITY TYPE: County or statistically equivalent entity
ST: Louisiana (22)
